EMPLOYMENT POTENTIAL OF MICRO & SMALL ENTERPRISES

Dattatraya Aumbulkar

M SME sector in India has tremendous potential to push growth and generate employment. The government's priority is for an integrated development of the rural and agro based enterprises along with the urban based enterprises. The target is to increase MSME's present share of 29 percent of GDP to 50 percent in next five years and raise its export contribution from 49 percent to 60 percent. To achieve these targets logistics, power and capital cost will need to be reduced. Micro and Small scale Industries are labour intensive and have huge scope for employment generation.

A slew of initiatives have been taken to tackle issues related to MSME sector in the country. The union budget 2019-20 has given stress to Micro- Small- Medium Enterprises (MSME) and Start-ups.

The concept of Business Score Card customized to such units can make

specific and time bound business impact. It is pertinent to know that the compact set up of MSMEs and Start up calls that every entrepreneur who ventures or intent to venture into such business initiatives, need to have nothing less than success. This is most vital as the stakes are high in the challenging scenario.

Implementation of the Score Card would

enable the MSME units to frame and formulate the policies keeping in view their business purpose, set up, market standing and execution of the business model.

The speciality of MSMEs is in their small size and flexibility in operation.

Very often it is seen that the entrepreneur prefers to invest the limited but requisite amount of finance from their

own funds. This provides the ease but at the same time can also lead to getting the self-earnings stuck in the business cycle and can become risky.

It is therefore essential that financial need has to be met with the support of institutional funding, and ensuring cash flow availability on a periodical basis. Proper planning and judgemental aptitude would help the small businessmen.

Like every commercial venture, the MSME also calls for the specific and customized business model based on its business needs and objectives and customers' requirements. The units which are backed up by such specific business model would certainly be successful.

The premise of incorporating and inception of MSME and Start up needs to be contributing to the business as well as employment. The value addition factor based on the uniqueness, is essential for the success of such business.

HOW TO PREPARE FOR UP TEACHER ELIGIBILITY TEST 2019

Rruchi Shrimalli

UPTET (Uttar Pradesh's Teacher Eligibility Test) 2019 will be conducted on 22nd December. Candidates who want to teach in primary schools (Classes I to V) or middle schools (Classes VI to VIII) in Uttar Pradesh need to clear this exam.

Those who want to become Primary Teachers need to take Paper I while those who want to become Middle School teachers need to take Paper II. Candidates who want to teach from Classes I to VIII can take both the papers of the UPTET exam.

Paper I and Paper II of the UPTET exam are conducted on the same day in two separate shifts. The UPTET exam is still conducted in the pen-and-paper mode.

same format. A total of 150 questions are asked in each paper. Candidates have to solve them in two hours or 120 minutes. It means that speed is of utmost importance in the exam.

A candidate has about 48 seconds to solve one question. If you keep 10 minutes for reading the instructions and checking out the paper and 5 minutes for checking out your answers later,

you only get about 42 seconds to solve each question.

Thankfully, the UPTET examination only includes objective questions. All the questions are of multiple-choice type. Each question carries one mark.

There is no negative marking in the paper.

Paper I and Paper II have similar sections but the syllabus of each paper is different.

In Paper I

- 30 questions are asked from Child Development and Pedagogy.
- 30 questions are asked from Language I (which is Hindi).
- 30 questions are asked from Language II (which one can choose from English, Urdu, and Sanskrit).
- 30 questions from Mathematics, and
- 30 questions from Environmental Studies (EVS).

In Paper II

- 30 questions are asked from Child Development and Pedagogy.
- 30 questions are asked from Language I (which is Hindi).
- 30 questions are asked from Language II (which one can choose from English, Urdu, and Sanskrit).

Highlights of Prime Minister Shri Narendra Modi's Mann Ki Baat

Prime Minister Shri Narendra Modi, in his Mann Ki Baat aired on 24 November 2019, spoke about a number of issues ranging from the importance of National Cadet Corps to the Supreme Court judgement on the Ayodhya issue. Interacting with callers, the Prime Minister urged the citizens to visit the North East. He also appealed to the school boards and management to ensure that Fit India Week is celebrated in all schools. He saluted the spirit of the Armed Forces urging citizens to actively participate in the Armed Forces Flag Day. Answering a query on whether he had the ambition of becoming a politician, the Prime Minister recalled his childhood and said that he never thought of becoming one, but since he has already shouldered responsibilities of a politician, he now aspires to serve the nation to the best of his abilities. Below are the excerpts of the entire Mann Ki Baat episode.

- Every year, the fourth Sunday of the month of November is celebrated as NCC Day. NCC means, cultivating the qualities of leadership, patriotism, selfless service discipline & hard work as an integral part of one's character; the thrilling journey of imbibing them into one's habits.
- I have always had a certain fondness for the Himalayas. But even then I will urge the people of India that if you love nature, dense forests, waterfalls, If you want to see a unique type of environment, then I tell everyone to go to the North East. I always tell this fact and because of this I hope tourism will also increase a lot in the North East; the economy will also benefit a lot and the dream of 'Ek Bharat! Shreshtha Bharat!' will also get strengthened there.
- Every child goes through multiple phases in life. Sometimes one wants to become this, sometimes one wants to become that, but it is true that I never had the desire to go into politics, nor ever thought about it, but now that I have reached here, I keep thinking how can work for the welfare of the country with all my heart, and the mere thought that 'Where would I have been if I hadn't been here?' should never enter my thought. Now, wherever I am, I should live life to the fullest and I should wholeheartedly work ceaselessly for my country, not worrying whether it is day, or night. I have now dedicated myself for this purpose only.
- Armed Forces Flag Day is celebrated on the 7th of December. This is the day when we pay homage to our brave soldiers, for their valour, their sacrifices; we also contribute. Only a sense of respect does not suffice. Participation is also necessary and every citizen should come forward on the 7th of December and everyone should possess the flag of the Armed Forces on that day; everyone should also contribute. Come. On this occasion, let us express our gratitude for the indomitable courage, valour and spirit of dedication of our Armed Forces and remember the brave soldiers.

- I appeal to the school boards and management of all the states of the country that Fit India Week should be celebrated in every school, in the month of December. This will inculcate the habit of fitness in our daily routine. In the Fit India Movement, schedules have been drawn for ranking schools in accordance with fitness. The schools that achieve this ranking will also be able to use the 'Fit India' logo and flag. The Schools can declare themselves as Fit by visiting the Fit India portal. Fit India three star and Fit India five star ratings will also be given. I appeal that all schools should enroll in the Fit India ranking system and Fit India should become innate to our temperament. That it become a mass movement and bring awareness is what we must strive for!
- I happened to glance at a comment on the MyGov portal a few days ago. Mr Ramesh Sharma from Nagaon in Assam writes, that a festival is being celebrated on Brahmaputra river. It's called Brahmaputra Pushkar. This festival was held between 4th and 16th November, and people had come from all corners of the country to take part in this Brahmaputra Pushkar. My dear countrymen, Pushkaram, Pushkaraalu, Pushkaraha. - have you ever heard these terms? Do you know what these are? Let me tell you. These are the different names by which festivals organized on 12 different rivers across the country are called. One river every year...that means it would recur on that particular river after 12 years...and this festival is held sequentially every year in 12 different rivers spread across the country ...and it lasts for 12 long days. Just like the Kumbh festival, this too, encourages the concept of national unity. And echoes the philosophy of "Ek Bharat-Shreshth Bharat" (One India Best India)...Pushkaram is a festival in which the greatness of the river, the glory of the river, the importance of the river in our lives...all these are brought forth naturally.
- Our forefathers put a lot of emphasis on nature, on environment, on water, on land, on forests. They understood the importance of rivers, and tried to inculcate a positive mindset towards rivers in the society. They constantly strove to conflate the river with the cultural stream, the stream of tradition, and with the society. And the interesting thing is that, not only did it bring the society closer to the rivers, it also brought people closer to each other. In a way, you can travel to all these 12 places, as part of a tourist circuit as well. Here I would like to appreciate the warmth and hospitality of the people of Assam, who acted as wonderful hosts for pilgrims from all over the country.
- The love and sense of entitlement with which my young friends complain to me, instruct me or give suggestions to me - I really am gladdened by them. After the last exam interaction, many people have written in with suggestions to make it more effective. It will be my endeavour to hold this discussion on exams in the beginning or middle of January. Student friends across the country have two opportunities. One, they can become part of this through their respective schools. Alternatively, they can be part of the program being conducted here in Delhi. Students participating in the Delhi event will be selected through the MyGov portal.
- In the last edition of Man Ki Baat, we had discussed the 2010 Allahabad High Court Judgment on the Ayodhya issue. And I have referred to how we had maintained peace and harmony back then. Whether it was before the verdict, or after the verdict. This time too, when the Supreme Court pronounced its judgment on 9th November, 130 crore Indians once again proved, that for them, national interest is supreme. The values of peace, unity and goodwill are paramount in our country.
- Hundreds of languages have blossomed and flourished in our country for centuries. At the same time, we are also concerned about the possible extinction of these languages and dialects. Recently I read a story from Dhaarchulaa in Uttaraakhand. There are many people of the Rang community who inhabit Dhaarchulaa in Pithauraagarh. They converse among one another in the Ranglo language. They are quite saddened by the fact that the number of people who speak this language is rapidly dwindling. And then, one fine day, they got together and resolved to save their language. And in no time, people from the Rang community

joined in. You will be amazed to hear that there are only a handful of people in this community. Roughly, their number is estimated to be around ten thousand. But in order to save the Ranglo language, everyone contributed their mite. Be it an 84 year old elderly man Diwan Singh, or a 22 year old youth Vaishali Garbyaal. Be it a professor or a trader, everyone contributed - in whatever way they could. In this mission, ample use was also made of the social media. Many WhatsApp groups were formed. Hundreds of people were connected to this mission through these groups. This language does not have a script. It finds usage only in the spoken form. So, people started posting stories, poems and songs. They started correcting each other's language. So, in a way WhatsApp became a kind of classroom, where everyone was a student and a teacher at the same time.

- Another important thing to note is that the United Nations has declared 2019 as the "International Year of Indigenous Languages". That means, efforts are being made to conserve those languages which are on the verge of extinction.
- Just the other day, I was reading a story in the media on scuba divers. This is a story that can be inspiring for all Indians. One day, these scuba divers, who impart training in Vishakhapattanam, were obstructed by plastic bottles and pouches on their way back from sea on Mangamaripetta beach. While cleaning the litter, they found the matter grave. They were appalled at the way our sea is being littered with garbage. For the last many days, these divers go up to 100 mts. away from the coast; dive deep and take out the garbage lying around. And I am told that just within 13 days ie 2 weeks, they have removed more than 4000kg of plastic waste from the sea. This small beginning by the divers is being transformed into a big mission. They are being helped by local people now. Local fishermen have also started to help them by all means. Pondering over, taking inspiration from these scuba divers, if we too, take a pledge to rid our surroundings of plastic waste, "Plastic Free India" can become a new example for the whole world.
- 26th of November is special for the whole country. This is especially important for our republic since we celebrate this day as Constitution Day. Our constitution guards the rights and dignity of every citizen which has been ensured owing to the farsightedness of the architects of our constitution. I pray that the 'Constitution Day' reinforces our obligation towards upholding the constitutional ideals and values thus contributing to nation building. After all, this was the dream of the makers of our constitution.

Government of India

Ministry of Earth Sciences

Prithvi Bhavan, Lodhi Road, New Delhi-110003

Subject: Filling up the post of Director, Indian National Centre for Ocean Information Services (INCOIS), Hyderabad on deputation (including short-term contract)/absorption failing which by Direct Recruitment (on tenure) basis.

The MoES invites applications for the post of Director, Indian National Centre for Ocean Information Services (INCOIS), Hyderabad in the Pay Level 14 of Pay Matrix (Rs. 144200 - 218200), an Autonomous Body under the Ministry of Earth Sciences (MoES), Govt. of India, registered as a society under the Andhra Pradesh (Telangana Area) Public Societies Registration Act 1350, Fasli at Hyderabad on 03.02.1999. The aims and objectives of INCOIS, Hyderabad are:-

- To establish, maintain and manage the systems for data acquisition, analysis interpretation and archival for Ocean Information and Services.
- To undertake, aid, promote, guide and co-ordinate research in the field of ocean information and services including satellite oceanography.
- To carryout surveys and acquire information using satellite technology, ships, buoys, boats or any other platforms to generate information on fisheries, minerals, oil, biology, hydrology, bathymetry, geology, meteorology, coastal zone management and associated resources.
- To cooperate and collaborate with other national and international institutions in the field of ocean remote sensing, oceanography, atmospheric sciences/meteorology and coastal zone management.
- To establish Early Warning System for Tsunami and Storm Surges.
- To support the research centers to conduct investigations in specified areas related to oceanic processes, ocean atmospheric interaction, coastal zone information, data synthesis, data analysis and data collection etc.
- The Government is looking for an eminent scientist for appointment as Director of the Institute. The qualifications, experience, duties and other details for the post of Director of INCOIS, Hyderabad are as follows:

Qualification & Experience : For deputation (including short-term contract)/absorption for a period of five(5) years failing which by Direct Recruitment (on tenure) basis for a period of five years.

Essential:-

- Master's degree in Physics or Chemistry or Mathematics or Geophysics or Geology or Oceanography or Atmospheric Sciences or any other subject specified in the relevant field with at least first class (60%) at graduation as well as post graduation level or at Bachelor's degree in Engineering or Technology from a recognized University or equivalent with at least first class (60%).
- 21 years' (18 years with Ph.D) experience in research and development, survey, administration, planning, teaching (at graduate or post graduate level), supervision or training in the relevant field.

Desirable:-

- Ph. D in any branch of Science related in the relevant field or Master's degree in Engineering or Technology from a recognized University.
- Experience in policy making, planning or management related activities or management of projects in the relevant field.

Job Description: The Director who is the Chief Executive Officer of the INCOIS, is responsible for formulation, development and implementation of various technology mission mode programmes and other technical support activities implemented by INCOIS. He is also responsible for formulation of planning, administration and functioning of the Centre as well as for the execution of the in-house R&D activities.

Scale of Pay: The post of Director is in the Pay Level 14 of Pay Matrix (Rs. 144200 - 218200) and other allowances as per the rules of the Institute.

Age limit : For Direct recruits preferably below 50 years. Relaxation can be considered in respect of exceptionally qualified or/ and experienced persons.

Note : The crucial date for determining the age limit shall be the closing date for receipt of applications from candidates in India.

Method of Recruitment:

(iii) For Deputation (including short-term contract)/absorption

Officers under Central Government or State Government or Union Territory Administration/including their attached and subordinate offices or Universities or recognized research institutions or Public Sector Undertakings or Semi-Government or Statutory or Autonomous Organisations and other Non-government bodies.

- holding analogous posts on regular basis in the parent cadre or department **Or**
- with 2 (two) years 'regular' service in posts in the Pay Level 13A of Pay Matrix (Rs. 131100 -216600) in the parent cadre or department **Or**
- with 3 (three) years 'regular' service in posts in the Pay Level 13 of Pay Matrix (Rs. 123100 -215900)in the parent cadre or department.

Note 1:-

The period of deputation including the period of deputation in another ex-cadre post held immediately preceding this appointment in the same or some other organization/ department of the Central Government shall ordinarily not exceed three years, which can be extended further upto 5 years after seeking approval of the Competent Authority as per Govt. of India norms.

The maximum age limit for appointment by deputation shall be 'Not exceeding 58 years' as on the last date of receipt of applications.

Note 2:-

For the purpose of appointment on deputation or absorption basis, the service rendered on a regular basis by an officer prior to 1st January, 2006 (the date from which the revised pay structure based on the Sixth Central Pay Commission recommendation has been extended) shall be deemed to be service rendered in the corresponding grade pay or pay scale extended based on the recommendations of the Pay Commission except where there has been merger of more than one pre-

revised scale of pay into one grade with a common grade pay or pay scale and where this benefit will extend only for the post(s) for which that grade pay or pay scale is the normal replacement grade without any up-gradation.

The Officer selected for deputation to this post will be on deputation for a period of three years and will be governed by terms of deputation laid down in DoP&T OM No.6/08/2009-Estt.(Pay II) dated 17th June, 2010 as amended from time to time and pay will be regulated in accordance with the DoP&T O.M. No.1/29/91-Estt(Pay-II) dated 5.1.1994 as amended from time to time.

(iv) For Direct Recruitment:

Direct recruitment (on tenure basis) for a period of five years or upto the age of superannuation whichever is earlier subject to satisfactory performance.

Selection process: Interested persons are requested to send their application in the pro-forma at Annexure-I. The application complete in all respects should be addressed to the **Deputy Secretary, (Estt.) Ministry of Earth Sciences, Prithvi Bhavan, Lodhi Road, New Delhi-110003 within 6 weeks (42 days) (60 days for those in Assam, Meghalaya, Arunachal Pradesh, Mizoram, Manipur, Nagaland, Tripura, Sikkim, Ladakh Division of Jammu and Kashmir State, Lahaul and Spiti District and Pangi Sub Division of Chamba District of Himachal Pradesh, Andaman and Nicobar Islands and Lakshadweep)** from the publication of the advertisement in the Employment News. The Ministry may also invite nominations from the leading scientists/experts, scientific Department/ organisations for consideration for the post. Ministry of Earth Sciences

Prithvi Bhavan, Lodhi Road, New Delhi-110003

Subject: Filling up the post of Director, National Centre for Earth Science Studies (NCESS), Thiruvananthapuram on deputation (including short-term contract)/absorption failing which by Direct Recruitment (on tenure) basis.

The MoES invites applications for the post of Director, National Centre for Earth Science Studies (NCESS), Thiruvananthapuram in the Pay Level 14 of Pay Matrix (Rs. 144200 - 218200), an Autonomous Body under the Ministry of Earth Sciences (MoES), Govt. of India, registered as a society under the 12th Travancore-Cochin Literary Scientific and Charitable Societies Registration Act, 1955. The Scientific and research interest of NCESS is quite broad encompassing land, ocean and atmospheric studies with a primary mission to foster multidisciplinary research in emerging areas of solid earth science, provide services by utilizing this knowledge for earth science applications. The main aim and objectives of NCESS, Thiruvananthapuram are as under: -

- To conduct and promote basic and applied advanced research in the frontier areas of Earth Sciences particularly crustal evolution and geodynamics, quaternary evolution processes and depositional processes, weathering and surface processes and coastal dynamics.
- To provide a greater fillip to the activities of the Institute and to give it a National and International status for landslides and coastal erosion mitigation, coastal zone management, resource evaluation and environmental impact assessment.
- To carry out inter-disciplinary research in collaboration with other Research Institutions, National Laboratories and various science departments of Universities, etc.
- To conduct studies relating to Climate Change and monitor trace gases in atmosphere and changes in radiation budget and study the emission of greenhouse gases from different ecological zones.
- To prepare the Natural Resources Data Base for Resources Management including evaluate terrain at the river basin and watershed level, and use/land cover and landscape alterations including development of societal application of earth sciences.

Qualification & Experience : For deputation (including short-term contract)/absorption for a period of five (5) years failing which by Direct Recruitment (on tenure) basis for a period of five years.

Essential:-

- i) Master's degree in Physics or Chemistry or Geophysics or Geology or Oceanography or Atmospheric Sciences or any other subject specified in the relevant field with at least first class (60%) at graduation as well as post graduation level or at Bachelor's degree in Engineering or Technology from a recognized University or equivalent with at least first class (60%).
- ii) 21 years' (18 years with Ph.D) experience in research and development, survey, administration, planning, teaching (at graduate or post graduate level), supervision or training in the relevant field.

Desirable:-

- i) Ph. D in any branch of Science related in the relevant field or Master's degree in Engineering or Technology from a recognized University.
- ii) Experience in policy making, planning or management related activities or management of projects in the relevant field.

Job Description: The Director, who is the Chief Executive Officer of the Institute, shall be responsible for formulation and implementation of programs relating to front ranking mission mode research programs in the area of Solid Earth Research (crustal evolution and geodynamics, quaternary evolution processes, sedimentology and depositional processes, weathering and surface processes and coastal dynamics) Earth Science Applications (landslides and coastal erosion mitigation, coastal zone management, resource evaluation and environmental impact assessment). He is also responsible for the day-to-day management of NCESS activities and overall administration of the Institute.

Scale of Pay: The post of Director is in the Pay Level 14 of Pay Matrix (Rs. 144200 - 218200) and other allowances as per the rules of the Institute.

Age limit : For Direct recruits preferably below 50 years. Relaxation can be considered in respect of exceptionally qualified or/ and experienced persons.

Note : The crucial date for determining the age limit shall be the closing date for receipt of applications from candidates in India.

Method of Recruitment:

(i) For Deputation (including short-term contracts)/absorption

Officers under Central Government or State Government or Union Territory Administration/including their attached and subordinate offices or Universities or recognized research institutions or Public Sector Undertakings or Semi-Government or Statutory or Autonomous Organisations and other Non-government bodies.

(i) holding analogous posts on regular basis in the parent cadre or department **Or** (ii) with 2 (two) years 'regular' service in posts in the Pay Level 13A of Pay Matrix (Rs. 131100 -216600) in the parent cadre or department **Or**

(iii) with 3 (three) years 'regular' service in posts in the Pay Level 13 of Pay Matrix (Rs. 123100 -215900) in the parent cadre or department.

Note 1:-The period of deputation including the period of deputation in another ex-cadre post held immediately preceding this appointment in the same or some other organization/ department of the Central Government shall ordinarily not exceed three years, which can be extended further upto 5 years after seeking approval of the Competent Authority as per Govt. of India norms.

The maximum age limit for appointment by deputation shall be 'Not exceeding 58 years' as on the last date of receipt of applications.

Note 2:- For the purpose of appointment on deputation or absorption basis, the

service rendered on a regular basis by an officer prior to 1st January, 2006 (the date from which the revised pay structure based on the Sixth Central Pay Commission recommendation has been extended) shall be deemed to be service rendered in the corresponding grade pay or pay scale extended based on the recommendations of the Pay Commission except where there has been merger of more than one pre-revised scale of pay into one grade with a common grade pay or pay scale and where this benefit will extend only for the post(s) for which that grade pay or pay scale is the normal replacement grade without any up-gradation.

2. The Officer selected for deputation to this post will be on deputation for a period of three years and will be governed by terms of deputation laid down in DoP&T OM No.6/08/2009-Estt.(Pay II) dated 17th June, 2010 as amended from time to time and pay will be regulated in accordance with the DoP&T O.M. No. 1/29/91 -Estt (Pay-II) dated 5.1.1994 as amended from time to time.

(ii) For Direct Recruitment: Direct recruitment (on tenure basis) for a period of five years or upto the age of superannuation whichever is earlier subject to satisfactory performance.

Selection process: Interested persons are requested to send their application in the pro-forma at Annexure-I. HOW TO PREPARE ...

Continued from page 1

- ♦ 60 questions from Mathematics & Science OR Social Studies.

Minimum Qualifying Marks for UPTET 2019

UPTET cut off marks to qualify the exam are:

- ♦ 60% for General category students (which means candidates need to score at least 90 marks out of a total of 150 marks), and
- ♦ 55% for SC, ST, and OBC category students (which means candidates need to score at least 83 marks out of a total of 150 marks).

The actual UPTET cutoffs depend on the number of vacancies and the number of candidates applying for the exam. In 2019, it is expected that if you score around 95 as a General category aspirant or 85 marks as a reserved category aspirant, you should be able to clear the exam easily.

UPTET 2018 Paper Analysis

Solving previous years' question papers is always recommended as a practice run for any competitive exam. The UPTET 2018 paper analysis can help you:

- ♦ judge the difficulty level of the paper.
- ♦ identify the important topics, and
- ♦ know what to expect on the day of the exam.

In 2018, both UPTET Paper I and Paper II question papers had a moderate difficulty level. But they were a tad difficult the 2017 UPTET exam. Most candidates last year also believed that the UPTET exam was modelled on the NCERT pattern.

UPTET 2018 Paper I Analysis

Most candidates pegged the English Language section of the paper as the toughest and the EVS section as the easiest one. Mathematics questions were moderate to tough. All the other sections had moderate difficulty levels.

UPTET 2018 Paper II Analysis

The questions in the Social Studies section revolved mostly around the pedagogy of the subject. As in Paper I, the English Language section was claimed to be the toughest section. All the other sections had moderate difficulty levels.

Section-by-section Paper Analysis of UPTET 2018**Child Development and Pedagogy**

Pedagogy was undoubtedly the most important aspect of this section. 18 questions were asked from this part of the syllabus. 3 questions were asked from the Influence of Heredity & Environment. 2 questions each were asked from:

- ♦ Concept of Development and its relationship with Learning.
- ♦ Child Psychology.
- ♦ Personality, and
- ♦ Development.

One question was asked from Intelligence.

It is a scoring section. It assesses your command over learning and teaching habits. You just need to read through this section to score well.

Hindi Language

Last year, this section was of moderate difficulty level. It did not have a passage last year.

English Language

This section did not have a passage last year and was seen as 'tough'. Most questions were based on basic grammar and vocabulary.

Environmental Studies

It was an easy section. One could easily score 20-22 marks in this section by going through it once.

Social Studies (from Paper II)

22 out of 60 questions in this section were based on Pedagogy. 11 questions were from History and 10 each from Geography and Polity. 8 questions were from General Awareness. It was an 'easy' section'.

Mathematics (from Paper II)

10 out of 30 questions in Math section were based on Advanced Mathematics. 6 questions each were asked from Pedagogy and Geometry & Mensuration. 2 questions each were asked from Number System, Interest related questions, and HCF & LCM. 1 question each was asked from Pie Chart and Probability.

Science (from Paper II)

This section was a bit difficult last year. 10 questions were asked from Biology, 9 from Chemistry, and 7 from Physics. 4 questions were based on Pedagogy.

UPTET & CTET ENVIRONMENTAL Studies Knowledge Bank contains 29 solved papers from different teacher eligibility tests (TETs) in India, including:

- ♦ CTET,
- ♦ UP TET (Uttar Pradesh TET),
- ♦ UK TET (Uttarakhand TET),
- ♦ MP TET (Madhya Pradesh TET),
- ♦ B TET (Bihar TET),
- ♦ R TET (Rajasthan TET),
- ♦ P TET (Punjab TET), and
- ♦ H TET (Haryana TET).

Some websites are offering free UPTET study material and notes online. These include:

- ♦ <https://ctetstudymaterial.in/uptet-study-material/>
- ♦ <https://www.hindihelpguru.com/uptet-study-material-book-notes-pdf-free/>
- ♦ <https://www.mycareerstudy.com/2018/10/up-tet-study-material-books-pdf.html>

UPTET Exam Preparation Tips to Maximize Your Score

- ♦ Remember, objective-type MCQs are easier than essay-type questions. If you get an answer wrong, you only lose one mark. About 40% of questions are based directly on facts and definitions and are easy to crack. But since MCQs in a test cover almost all parts of the syllabus, you need to study each and every topic thoroughly. UPTET exam requires both accuracy and speed. So, study well and practice as much as possible.
- ♦ The competition for the UPTET exam is high but it is definitely easier than the UPSC or the Bank PO (Probationary Officer) exam. Practising previous years' UPTET

question papers is the best way to increase your accuracy and speed in the exam. It helps you get familiar with the type of questions asked in the exam.

- ♦ You can start your UPTET preparation with the NCERT books. These books are available for free on the official website of the NCERT in English and Hindi.
 - ♦ The best part is that many times, questions get repeated in the UPTET exam. If you have already solved previous year papers or have gone through solved past year papers for the exam, you will definitely be able to score a few easy points in the exam.
 - ♦ You can also search for repeated questions of the UPTET exam online. Many YouTubers talk about the most common questions asked in the UPTET and CTET exam which might be helpful to you.
 - ♦ Since there is no negative marking in the exam, it does not make any sense to leave a question unanswered. Remember, you cannot change your answer later. Hence, first mark the answers for the questions you are sure about and then, start with the guesswork. Smart guessing can help you net a few bonus points too.
 - ♦ Pedagogy is the most important section in each subject. Prepare it on a priority basis. Then, move on to other topics in the syllabus.
 - ♦ When you are stuck, use the elimination method. In this method, you strike out the options that are definitely wrong. When you are familiar with the subject, it is easy to guess which options do not fit at all. If you are able to strike out two wrong options for the question, you increase your chances of getting the correct answer from 25% to 50%!
 - ♦ In Physics, one quick way to narrow down options is to look at the 'units' of the answer. If the question asks you to calculate time in 'seconds', any answers with 'minutes' or 'hours' will automatically be incorrect.
 - ♦ In calculation-type questions, it might be more efficient to simply fit in the given values in the options in the question to see if they are correct. It means that you put the answers first and calculate in reverse to see if it is correct or not.
- UPTET 2019 Exam Day Tips**
- ♦ Sunglasses, calculators, electronic devices, and all papers and documents are prohibited inside the exam venue campus on the examination day. You can only carry the admit card, ID card with your photo, and photocopy of your qualifying marksheets on the day of the exam.
 - ♦ You need to reach the examination venue 45 minutes before the exam starts. Students will not be allowed to enter the test centre 10 minutes after the exam starts. No extra time will be

given to students in any case.

- ♦ Most of the competitive exams are available in online or CBT (Computer Based Test) mode. Those who are used to the CBT pattern might find the pen-and-paper mode cumbersome. There are a few things you should keep in mind while filling up the Optical Mark Recognition (OMR) sheet in the UPTET exam:
- ♦ Only use a black ballpoint pen to colour the circle of the right answer. Since you cannot delete an answer, make sure you fill-up the circle in the right column. Overwriting or filling up more than one circle in an answer will automatically disqualify it for assessment purposes.
- ♦ Be sure to write the numbers of questions you've solved in the given space in words and numerics.
- ♦ Make sure you fill up all the information asked for in the OMR sheet, such as:
 - ♦ Roll Number,
 - ♦ Number of the Question Booklet,
 - ♦ Series of the Question Booklet,
 - ♦ The language you opt for,
 - ♦ The subject you choose in Part IV.

Colour the right circles too. Incomplete information can disqualify your answer sheet automatically.

If you want to clear any of the Teacher Eligibility Tests or TETs in India, you will find several videos online to help you with it. These videos cover each section of the exam in detail. Many of them also offer tips to prepare for the exam easily.

EMPLOYMENT ...

Continued from page 1

The service delivery of MSMEs and Start up should not only be customer centric and focused on quality. The success factor of MSME lies in such determined business resolution and result orientation.

The entrepreneur needs to achieve these aspects by creating the customer focused work culture, imbibe it as the way of working with zero dilution and with the determination of self as well as with involvement of the limited number of employees. One should remember that there is no substitute to determination and commitment at workplace in such units. Moreover, all the critical aspects related MSME should be measurable and should be timely monitored.

In order to make every MSME and Start up customer-centric, customer - focused and service driven, quality based work culture is always helpful. The limited number of employees and the small size of such units plays vital role in making this happen. Most of the MSMEs are directly driven by the entrepreneurs or owners and their direct involvement is also found supportive to create and implement such requisite work culture and it can become the success factor.

The government is in the process of developing a digital MSME portal which will work as a virtual meeting place for all

stakeholders of the sector. For the over 75 lakh MSMEs currently registered, this will provide a platform where they can interact globally to fulfil their requirements for funding, knowledge, technology, skilling and marketing, making them more competitive and integrated with the global value chain. There is need to enhance manufacturing competitiveness of entrepreneurs, the process is on for opening new 135 new Tool Rooms & Technology centres to develop the skill of the entrepreneurs.

While addressing the Global MSME Conference, 2019 held in Delhi in June this year, the Union Minister of MSME Mr Nitin Gadkari in his speech, mentioned that the country has got about 6 Crores

MSME employing around 11 Crore persons. The government has a plan to raise the employment potential to 14 Crores and raise the current rate of 29% GDP to 50 % in next 5 years span.

As per the 73rd Round of National Sample Survey (NSS), conducted by National Sample Survey Office, Ministry of Statistics & Programme Implementation during the period 2015-16, the estimated number of workers in unincorporated non-agriculture MSMEs in the country engaged in different economic activities excluding the MSMEs registered under (a) Sections 2m(i) and 2m(ii) of the Factories Act, 1948, (b) Companies Act, 1956 and (c) Construction activities falling under Section F of National Industrial

Classification (NIC), 2008, are 11.10 crore.

Under the Prime Minister's Employment Generation Programme (PMEGP,) the estimated employment generated (number of persons) in micro enterprises during the years 2014-15, 2015-16, 2016-17, 2017-18 and 2018-19 are 3.58 lakhs, 3.23 lakhs, 4.08 lakhs, 3.87 lakhs and 5.87 lakhs, respectively.

MSME sector remains the highest job creator in our economy and a dedicated focus on MSMEs can create huge employment opportunities with less capital.

News Digest

NATIONAL

■ The government has asserted that India will not compromise on data sovereignty and it is committed to ensure safety and security of messaging on platforms like WhatsApp. Electronics and IT Minister, Ravi Shankar Prasad informed the Parliament that not a single FIR has been lodged and so far, his ministry has received no complaint in this matter. He said, there are adequate provisions in IT act to ensure safety and security of messaging on various platforms. On the snooping issue, the Minister informed that CERT-IN had sent a notice to Israel based company NSO on 26th November of this month seeking details about the malware and its impact on Indian users. Responding to opposition queries on data protection bill, Mr. Prasad said, work is in progress in that direction and the legislation will be robust in nature.

■ Women and Child Welfare Minister Smriti Irani, while quoting data of National Crime Record Bureau in a written reply in Rajya Sabha said that incidents of the child marriages have continuously increased in the country during 2013-2017. She informed that 222 cases of child marriages were registered in the year 2013 while it was 280 in 2014, 293 in 2015, 326 in 2016. In the year 2017, 395 cases of child marriages were registered in several parts of the country. Maximum numbers of 65 cases were registered in Karnataka in 2017 followed by 58 in Assam, 55 in Tamil Nadu and 49 in West Bengal. However, no cases of child marriages have been reported in 11 States and Union Territories of the country during 2013-2017. It includes Arunachal Pradesh, Goa, Jammu & Kashmir, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, Dadar and Nagar Haveli, Daman and Diu and Lakshadweep.

■ On November 27, Indian Space Research Organisation, ISRO successfully launched the country's latest earth observation satellite Cartosat-3 in a copybook style mission. The workhorse rocket PSLV-C47 injected it in a polar orbit, along with 13 nano-satellites of a US customer organization. PSLV-C47 lifted-off at 09.28 am from the Second Launch Pad of Satish Dhawan Space Centre, Sriharikota in Andhra Pradesh and in just 17 minutes and 38 seconds into its flight, Cartosat-3 was separated placed at a height of 509 km. The 13 nano-satellites were later fed into their intended orbits one after the other.

■ Lok Sabha has passed the Dadra and Nagar Haveli and Daman and Diu (Merger of Union Territories) Bill, 2019. The Bill provides for the merger of Union Territories of Dadra and Nagar Haveli and Daman and Diu. It provides for better delivery of services to citizens of both the UTs by improving efficiency and reduction in paperwork and administrative expenditure. It will also bring uniformity in policy and schemes. Both the UTs are located in the western region of the country. Dadra and Nagar Haveli has just one district while Daman and Diu has two. The country currently has nine UTs after the creation of the UTs of Jammu and Kashmir, and Ladakh. However, with the merger of Daman and Diu, and Dadra and Nagar Haveli, the number of UTs will come down to eight.

ECONOMY

■ The 15th Finance Commission Chairman N K Singh has called for major changes in the GST structure, including reducing the complicated procedures and also doing away with frequent rate changes, to improve collection. He also pitched for rationalization of Centrally-sponsored schemes. Speaking at an event in RBI headquarters in Mumbai, Singh said the commission has visited nearly all the states in the run-up to the preparation of its report and that many of them have complained that the fiscal autonomy has been circumscribed by GST.

■ Finance Minister Nirmala Sitharaman has said there is no proposal to bring out a White Paper on Economy. In a written reply in Lok Sabha, the Minister said, government has initiated several structural reforms in recent years. She added that introduction of Insolvency and Bankruptcy Code is a significant step towards cleaning and strengthening the financial system of the country. The Minister said, implementation of GST stands out as the most important measure for improving ease of doing business in the country. Make in India programme is a major initiative towards increasing the indigenous capacity of the country to produce world

class goods and services. Ms Sitharaman also stated that demonetization was a necessary step that had to be undertaken to weed out black money from the economy, widen the tax base and increase formalization for inclusive growth.

■ Reliance Communications Chairman Anil Ambani along with four directors have resigned from the company, which is going through the insolvency process. According to a regulatory filing, Manikantan V, the chief financial officer of the debt-ridden company has also resigned. The development comes after RCom posted a consolidated loss of Rs 30,142 crore for July-September 2019 due to provisioning for liabilities after the Supreme Court ruling on statutory dues. This was the second-highest loss posted by any Indian corporate till date.

INTERNATIONAL

■ US President Donald Trump said that United States has resumed talks with Taliban as he made an unannounced trip to Afghanistan to celebrate the Thanksgiving holiday with US troops. In his first trip to the site of

America's longest war, Trump thanked the troops and met Afghan President Ashraf Ghani. He told reporters that the Taliban wants to make a deal, and they are meeting with them. President Trump said, he has restarted peace negotiations with Taliban after it was scuttled in September. US President reaffirmed his desire to reduce the American troop presence in Afghanistan to 8,600 down from about 13,000.

■ Pakistan's Supreme Court has suspended the decision to grant a three-year term extension to Army Chief General Qamar Javed Bajwa. The move came just ahead of 59-year-old Bajwa's retirement on November 29. Prime Minister Imran Khan had approved an extension to the tenure of General Bajwa for another three years, citing the regional security environment. The petition against Bajwa's extension was filed by a person named Raiz Rahi, who later filed an application to withdraw it. However, Chief Justice Asif Saeed Khosa rejected the withdrawal bid and took up the petition as public interest litigation under Article 184. Justice Khosa said that only the president of Pakistan can extend the tenure of the Army Chief. He also observed that when the matter was discussed in the Cabinet, only 11 out of 25 members approved the extension.

SPORTS

■ Sports Ministry has constituted a 13-member expert committee to review the Draft National Sports Code and to suggest measures to make the Sports Code acceptable to all the stakeholders. It will try to strike a balance between the autonomy of National Sports Federations vis-a-vis need for transparency and autonomy. The expert committee will be headed by former Supreme Court judge Justice Mukundakam Sharma. Former sports persons Gagan Narang, Bhaichung Bhutia, Anju Bobby George and national badminton coach Pulella Gopichand are part of the panel. Boxing Federation president Ajay Singh, Kho Kho Federation president Sudhanshu Mittal, Athletics Federation president Adille Sumariwala and Weightlifting Federation president B P Baishya have been included in the committee. The panel will also feature a representative from the Indian Olympic Association. Director General Sports Authority of India or his representative and Dr A Jayathilak, Principal Secretary Sports in Government of Kerala will be the other members of the panel. Joint Secretary (Sports) will be the coordinator in the committee.

■ Deepika Kumari won gold while Ankita Bhakat bagged silver medal in the women's individual recurve event of the 21st Asian Championships in Bangkok, in the process earning India's second 2020 Olympics quota in archery. Three Olympic quotas for Tokyo 2020 were on offer at this event - which went to India, Bhutan and Vietnam. This is India's second Olympic quota place in archery after the men's recurve team of Tarundeep Rai, Atanu Das and Pravin Jadhav had secured their place through their showing in the World Championships earlier this year. The Indian archers competed in the tournament as neutral athletes under the World Archery flag due to the suspension of the national federation, Archery Association of India, AAI.
